WHAT IS THE CAREER DEVELOPMENT INTERNSHIP PROGRAM?

The purpose of the program is to expose transition-aged youth to opportunities within the County of Los Angeles, and assist them in gaining the skills and knowledge necessary to compete for full-time budgeted positions. Career Development Interns are hired to assist experienced journey-level workers in a variety of training assignments of typically 12 to 24 months varying in duration based on individual training requirements.

OBJECTIVES OF THE PROGRAM

By the conclusion of the internship, the department will have a motivated, trained, and qualified employee capable of obtaining an entry-level position within the department. Career Development Interns will grow into a future with the County of Los Angeles as employed, engaged, and contributing citizens. During the course of the internship, interns will launch their County careers. Additionally, the intern will be provided life skills training and tools in order to be productive and fiscally responsible members of the community.

SELECTION REQUIREMENTS

Current enrollment in, completion of, or current or past eligibility for the Independent Living Program of the departments of Children and Family Services, and/or Probation.
