Professional Dress Required. Bring your resume and BruinCard for FREE admission!

The UCLA Career Center is bringing top technical and engineering companies to you in three days: Monday, October 21, Wednesday, October 23, and Thursday, October 24! If you have an interest in computer science, technical consulting, or engineering careers, this Information Session Showcase is a must!

Bring copies of your resume, your BruinCard, and indulge by learning more about each company, their employment opportunities, and spend one-on-one time with each company representative. While pre-registration is not required, please note that this program is open only for currently registered full-time UCLA students. Visit career.ucla.edu for more details. Questions? Email us at BruinView@career.ucla.edu.
