Bruins from all majors are encouraged to attend the 5th annual Internship & Fellowship Night hosted by the UCLA Career Center. Join us for your chance to network with internship and fellowship sponsors, learn about future summer internships, explore post-grad opportunities, and showcase your qualifications. Business casual or professional attire is requested and admission is open to all UCLA students who bring a copy of their resume and a valid BruinCard. While pre-registration is not required, please note that this program is open only for currently registered full-time UCLA students. See you there! For updated event info and profiles of employers attending, please visit us at career.ucla.edu/FTE

Questions? Email us at BruinView@career.ucla.edu.
