Biotech Career Night
Wednesday, January 29
6:30-8:30pm
UCLA Career Center, Second Floor

Hosted by: UCLA ISPE (International Society for Pharmaceutical Engineering) and UCLA Career Center

Interested in a career in pharmaceuticals or biotechnology? Take this opportunity to prepare for your future by attending the Biotech Career Night at the UCLA Career Center. This event provides an optimal opportunity for you to learn about and network with top firms from the biotech industry. Hear about the mission and job functions of each participating organization, recruitment opportunities and requirements, and talk one-on-one with company representatives. Be sure to bring copies of your resume. Business professional dress recommended.

Questions? Please email UCLA.ISPE@gmail.com

Participating Firms Include (subject to change):
PSC Biotech, Zymo Research Epigenetics Corp, Genentech, Lab Support, St. Jude Medical, Grifols Biologicals

Admittance open only to current ISPE Members as well as UCLA students majoring in or considering majors in Engineering, Technology, and the Sciences. BruinCard or ISPE membership card required for admittance.
