Allied Health
(Optometry, Physical Therapy, Audiology, Occupational Therapy)

Tuesday, February 10, 4-7pm
Career Center, Second Floor, Room 200

Allied health is a comprehensive term, used to refer to a wide variety of health professions. Allied health professionals are an important part of the health care system - offering diverse services to patients. Employment in this field increased dramatically in the mid-20th century and continues to grow at a rapid pace. If you are considering a career in health care but are not quite sure what you want to do, join us and meet admissions representatives from esteemed professional programs, listen to practitioners working in allied health care fields, and learn more about these rewarding career options. Seating is limited so register today at career.ucla.edu/JumpStart
