Hire UCLA

Did you know that the UCLA Career Center supports some of the nation’s top employers and lists over 16,000 jobs, internships, and fellowships each year?

Have you had a chance to promote your company’s recruiting needs through our Information Sessions, Career Fairs, or our online BruinView™ service?

BruinView™ is an incredible resource of 40,000+ students and alumni. These candidates are talented, energetic, hardworking and come from a long list of majors and backgrounds.

Starting with the convenient BruinView™ online system, you can accomplish your hiring needs by:

- Adding your jobs, internships, or fellowships with the complimentary rate
- Review and print student and alumni applications
- Pre-select candidates and track your activities
- Schedule on-campus interviews in the UCLA Career Center recruiting offices.

All of this, and more, are why the UCLA Career Center should be the first place you go to for all of your campus recruiting projects. We can be your one-stop destination for completing your recruiting needs efficiently.
