**Additional Tips & Suggestions for Employment**

There are many additional employment opportunities on and off-campus for UCLA students. Here are some added ideas to consider:

- Explore Work-Study – http://www.financialaid.ucla.edu/LeftNavUndergraduate/Work-Study-and-Jobs
- Once you are a registered student create a BruinView account via the Career Center – www.career.ucla.edu
- Check with professors to see if they have paid assistantships or research opportunities available
- Academic departments and student services offices throughout campus employ office assistants
- Westwood Village also offers job opportunities in retail, food service, etc. within walking distance of campus; Additionally, check out the Daily Bruin Classified for off-campus listings
