International Opportunity Lists on BruinView™

Career Center research covering globally focused internships, fellowships, teach-abroad programs, and new-grad opportunities in the US and abroad.

FIELD	NUMBER OF OPPORTUNITIES (TOTAL: 959)	DESCRIPTION AND KEY PROGRAMS
Foreign Policy & National Security	11	Internships and entry-level programs with CIA, Dept. of Commerce, Defense Intelligence Agency, Dept. of Homeland Security, FBI, NCIS, NSA, and other key government agencies. Watch for early deadlines! (Oct. 15 for CIA summer internships)
Federal Government Agencies	10	Mega-list featuring internships and new-grad programs with 300+ federal agencies, from the African Development Foundation to the U.S. Trade Representative. Most of these employers rarely receive UCLA resumes.
International Healthcare & Public Health	27	Two lists highlighting volunteer and employment opportunities in global healthcare and public health. Includes "clearinghouse" websites with hundreds of programs such as Family Health International, Global Medical Training, and Int'l Medical Volunteers
International Fellowships & Scholarships	44	Funded research, public service, and post-grad opportunities abroad, featuring 100+ diverse organizations in fields such as arts & culture, public policy, social science, and scientific research
Microfinance	70	Featuring opportunities with 70 leading Microfinance organizations based in the U.S. and abroad, such as Kiva International and the Vittana Foundation
Non-Profit Corporations	29	Lesser-known employers directing high-impact international programs and research, including World Resources Institute, Family Health International, and the Asia Foundation
Public Service Fellowships	116	Nearly 100 funded leadership, public service, and research programs for recent graduates in a wide variety of fields. Positions are based in the U.S. but often focus on international affairs
Teach Abroad Programs	42	Paid teaching opportunities across the globe, including some short-term options for current students. Language & Culture Assistants in Spain, the JET Program in Japan, the Hellenic American Program in Greece, and Fulbright English Teaching Assistantships.
Think Tanks & Public Policy Research	577	500+ public policy research organizations in California, New York City and Washington, DC. Opportunities for current undergraduates, advanced degree candidates, and recent graduates.
United Nations and NGOs	33	Opportunities with 30+ United Nations agencies and related organizations, focused on international development, human rights, education access, intellectual property, and environmental issues among other topics. Many options for graduate students.
